The best hotels in Mykonos are more than just places to stay—they're experiences in themselves. Picture breezy, whitewashed interiors layered with natural textures, artisan ceramics, and just a hint of bohemian flair. Think infinity pools that blur into the Aegean Sea, minimalist suites that open onto private terraces, and lounges that pulse with effortless glamour. Whether you're here to unwind in total seclusion or lean into the island's social buzz, these hotels strike the perfect balance between relaxed luxury and unmistakable Greek charm.

Kalesma Mykonos

Kalesma Mykonos is designed as a contemporary Mykonian village, with 25 suites and two larger villas, each boasting a private terrace with a plunge pool, shaded dining area, and alfresco shower. Located on a hill in Aleomandra, it offers unique double views of both sunrise and sunset, alongside a spa with a Hammam and Dr. Barbara Sturm products, and local Cycladic cuisine at its Pere Ubu restaurant. **Starting at \$628/night.**
