MYKONOS

On the island of Mykonos, where the sun meets the Aegean and every moment drifts between light and celebration, Greece reveals its most vibrant flavors.

Tsipouro, mastiha, wild herbs, sun-ripened citrus, delicate florals, and handpicked spices — ingredients that have long defined our homes and gatherings — are reimaged here by the sea.

From our grandmothers' courtyards to the hidden cellars of the Cyclades, drinking has always been more than a ritual. It is hospitality, connection, and joy — an open invitation to gather and celebrate.

At Kalesma, we bring this story into the present, shaped by the effortless elegance and energy of Mykonos.

Each cocktail is a journey — capturing a memory, a scent, a fleeting moment: a walk through sunlit gardens, a breeze laced with citrus and salt, a late summer night filled with laughter.

We honor authentic Greek ingredients and traditional distillates, blending them with modern techniques to create something both familiar and unexpected.

Each sip is Mykonos — bright, bold, and timeless.

A tribute to where we come from, and to the beauty of where we are now.
