

The 25 Best Places to Travel This Summer

Adventures in Banff? Serenity in Ojai? Châteaux of the Loire? We've got you covered.

BY [LEENA KIM](#) PUBLISHED: MAR 2, 2023

We may still be a few months away, but it's never too early to start dreaming up that perfect summer trip (or two, maybe even three). Given this is the most popular season for travel, [planning ahead](#) is a wise move. Plus, it's great for all the wanderlust potential—and the sweet promise of an unforgettable journey to look forward to once we're free of [winter's grip](#).

So what will it be this year? Will you be spending three months flitting between seaside hotspots along the Mediterranean? Or will it be a European cultural grand tour? Maybe you'll revisit classic American destinations for old time's sake, or journey to the farthest reaches of Earth? From adventures in Jackson Hole and Banff, [to wellness](#) in Ojai and on Ischia, to the ultimate geo-tag brags of Fiji and the Galapagos, a *T&C*-curated guide, below, to 25 of the best destinations to consider for summer 2023.

Athens & Mykonos, Greece

Summer in Greece really needs no further explanation. There are so many places to visit, from the ancient wonders of Athens to the islands dotting the Aegean and Ionian Seas. For plush digs in the country's capital, book a room at the year-old [xenodocheio Milos](#), the city's first-ever luxury boutique hotel, located near upscale Kolonaki. As for seaside havens, the [Kalesma Mykonos](#) is a paragon of serenity and zen on an island famous for its thumping party scene. A sleek design aesthetic also differentiates this 27-key hotel (12 suites, 13 villas, two grand villas) from its peers. Think Rick Owens furniture in the lobby, custom artwork in each room, and horsehair sconces in a nod to the Greek god Apollo, who was said to have kept his horses in the area. Oh, and best of all, 360-degree views.
