Guests of Kalesma are offered a rare opportunity to witness the intricate weaving process up close, celebrating the beauty of artisanal skill in the hotel's idyllic surroundings. This collaboration not only honors the cultural heritage of Mykonos but also weaves a meaningful connection between tradition and contemporary luxury.

Fay Chatzi

Kalesma Mykonos proudly presents a captivating collaboration that celebrates the island's cultural essence, inviting acclaimed designer Faye Chatzi to showcase her artistry in a truly immersive experience. Using a traditional loom, Chatzi brings her latest collection to life, crafting each piece entirely by hand. Drawing inspiration from the rich textures of Myconian lambswool, Greek cotton, and silk, this exclusive collection features an exquisite selection of shawls, caftans, bags, scarves, and hats. Every item reflects the designer's dedication to quality and craftsmanship, with a masterful interplay of yarns that adds depth and character to the woven fabric.
